MOVING FORWARD/CHALLENGES

Our Future Moving Forward

- Implement online registration
- Networking and increase the working relationship with government agencies and private firms
- Upgrade Land Surveyors practice
- Amend PEALS law and Update Rules and Regulations
- Maintain PEALS membership current with NCEES and NCARB
- Public Awareness/Outreach Program
- Continuing Education for Registrants

Current challenges are to increase the number of registered Professional Land Surveyors (PLS). With the demand in surveying and the age of the 17 registered surveyors, newly registered surveyors are needed.
